Dear Potential NMF Vendor:

Thank you for your interest in being a vendor at the eighth annual Norman Music Festival (NMF) scheduled from 6pm to 12am April 23rd, 6pm-12am April 24th, and 11am-12am on April 25th 2015. The Crawford Parking lot will be closed for vendors Friday & Saturday only. Enclosed with this letter is the NMF Vendor Application that applies to your business. **Please fill it out, and return it along with the booth space fee and a copy of your certificate of insurance (food vendors) with the Norman Music Alliance named as an additional insured.**

Before a booth can be approved for the festival, the organization must show proof of their permits and licenses.

Make sure your organization has the proper licensing to sell your product. Most licenses can be obtained through an application process with the City of Norman. Food vendors are required to have a temporary food service license from the city. They are also required to have an Oklahoma Department of Health permit (requirements may vary upon the type of setup). Each vendor location will be inspected by the Health Department before the event starts. Inspectors may require a fee per vendor setup at the event. NMF is not responsible for any delays you may experience due to non-compliance. Please call the Cleveland County Health Department (405)321-4048.

Food Booth spaces can support tent or trailer and there is hookup for maximum 20 amp 110-volt electricity. Vendors may be subject to additional fees for non-traditional electrical connections. The NMF will be free and open to the public, crowd expectations are over 60,000. However, we will be surveying your business after the event so that we can better track our crowd attendance.

There are two levels of vendors: food and commercial. Commercial vendors are businesses who are distributing information, providing services, or selling products. Beverage sales are the sole responsibility of the Norman Music Festival and its approved partners.

If you have any additional questions, please contact the vendor committee at 405-684-1618 or massivegraphics@gmail.com

Sincerely,

Kent Johnson
NMF Vendor Chairperson
